*TEACHERS WORKSHOPS

1.

Mockup

With Svein Petter Knudsen

Svein.P.Knudsen@uib.no

Techniques to transform digital 3d models into physical mockups.

An introduction to different softwares which we use to create 3d paper puzzles

Max numbers of participants 10

2.

Typography: Voice as Matter

with Åse Huus, Dóra Ísleifsdóttir, Geir Goosen

Ase.Huus@uib.no

dora.isleifsdottir@uib.no

Geir.Goosen@uib.no

This short typographic workshop concerns itself with how the spoken word translates into written language which can be further transformed from the analogue to the digital, and back again—can be materialized and composed in different ways so it takes on distinguished form and, as a consequence, takes on space.

The workshop is structured in seven steps – a process participants will go through with assistance from the workshop moderators and student assistants.

3.

Animation: physical digital physical digital...

With Torkell Bernsen and Gustav Kvaal

Torkell.Bernsen@uib.no

Gustav.Kvaal@uib.no

Join us in this intensive animation workshop, embracing the possibilities that lies in a workflow that combines and links the physical and the digital worlds.

SPECIAL OFFER FOR CIRRUS TEACHERS: PREPARATIONS FOR FINSE ICE MUSIC FESTIVAL

Teachers are welcome to attend the ice and snow workshops at the mountains of Finse from 11 – 13 February. During the workshops you will join a team of artists and designers and make installations for the Ice Music Festival 14-16 February, <https://www.icemusicfestivalnorway.no/>. Please note that additional costs will apply for travel, accommodation and meals, and you will have to organize train transport from Oslo/Bergen. Please contact tale.vik@uib.no for more information.
